A photograph of a rooftop garden or terrace. In the foreground, there are several large, rounded green bushes. A group of about seven people are gathered in the middle ground, some standing and some sitting on a wooden bench. To their right is a small wooden structure that looks like a bar or grill area with various items on it. In the background, there are tall modern apartment buildings with many windows. The sun is setting behind the buildings, creating a bright glow and long shadows. The overall atmosphere is relaxed and modern.
